NOTICE TO TAXPAYERS
OFFICIAL ASSESSMENT LIST
2012-2013

CHURCHILL COUNTY, NEVADA
NORMA J. GREEN, ASSESSOR

This is your tax list of assessed valuation of the secured roll for the fiscal year of 2012-2013. Your tax bill will be mailed to you next July which will reflect your abatement of taxes (see the section titled ABATEMENT OF TAXES on this page). The unsecured roll (Manufactured Homes, Aircraft, Commercial Personal Property, Race Cars, etc.) is collected throughout the year and therefore does not appear here. The valuations are based upon appraisals made in accordance with the law and are for the information to taxpayers.

Nevada Revised Statute 361.225 requires that property be assessed at 35% of taxable value, which is determined in accordance with NRS 361.227. This list is published as required by NRS 361.300. Statutes mandate each year that the County Assessor ascertain and establish the assessed value for all real and personal property in the county which is subject to taxation. A written notice stating the property's assessed valuation is mailed to the owner each year. Starting in 2011-2012 all property in Churchill County has been reappraised every year. One-fifth of the county is physically reappraised at least once every 5 years. Additional appraisals may occur when new taxable structures are added or removed. The area that was physically reappraised for the 2012-2013 tax year was Area 4 (Area 1 will be physically reappraised in 2012 for the Fiscal Year 2013-2014. Property Tax Appraisers may be visiting properties in Area 1 from Jan. 1, 2012 to Dec. 1, 2012.).

BOARD OF EQUALIZATION

Property owners who believe that the Market Value is less than the Taxable Value stated should contact the Assessor's Office. The Assessor, or her staff, will discuss your appraisal with you. If you are in disagreement, you may file a petition with the County Board of Equalization. The filing of the petition is accomplished by completing a form available in the Assessor's office. An appearance will be scheduled before the County Board of Equalization, which will meet in January and February 2012. A petition must be filed by January 15, 2012. Persons not satisfied with the decision of the County Board of Equalization may file a petition to the State by March 10th 2012.

WHO DETERMINES THE TAX RATES

The County Commissioners/City Council Members certify each tax district's tax rate. Taxes are due and payable to the County Treasurer as follows:

1st installment due – August 15, 2011
2nd installment due – October 3, 2011
3rd installment due – January 2, 2012
4th installment due – March 5, 2012

EXEMPTION PROGRAM QUESTIONS AND ANSWERS

Does the State of Nevada offer any type of tax assistance or exemptions to individual taxpayers?

Yes. Nevada offers tax exemptions to persons meeting certain requirements such as: Surviving Spouses, Veterans, Disabled Veterans and Blind Persons. These exemptions can be applied to your property or manufactured home taxes or motor vehicle governmental service tax.

Who is eligible for a "Surviving Spouses Exemption" and how do I make application?

This exemption applies to surviving spouses who are bona fide residents of the State of Nevada. To receive this exemption, surviving spouses must bring a copy of the death certificate to the Assessor's office when initially applying for the exemption (NRS 361.080).

Who is considered to be qualified for the "Blind Exemption"?

The Blind Exemption is available to bona fide residents with visual acuity that does not exceed 20/200 in the better eye when corrected, or whose field of vision subtends an angle of 20 degrees or less. To qualify for this exemption, it is necessary to furnish a doctor's statement that the above requirements are met (NRS 361.085).

What are the requirements for a "Veteran's Exemption"?

The Veteran's Exemption is applicable to honorably discharged veterans of the Armed Forces of the United States who are bona fide residents of Nevada, have served a minimum of 90 days active duty and who were assigned to active duty pursuant to NRS 361.090.

When filing for the first time, it is necessary to bring in a copy of your separation papers (DD214 form) showing dates of entry and discharge.

What qualifies a veteran for the "Disabled Veteran's Exemption"?

The Disabled Veteran's Exemption is provided for veterans who have incurred a permanent service connected disability of at least 60%. The amount of the exemption is based on the total combined percentage of permanent service-connected disability. The surviving spouse of a disabled veteran, who was eligible for this exemption at the time of his/her death, may also be eligible to receive the benefits of this program. To apply for the exemption, you must be a bona fide resident of Nevada and furnish copies of the separation papers showing dates of entry and discharge and documentation of the total combined percentage of service-connected disability from the Veteran's Administration (NRS 361.091).

ABATEMENT OF TAXES

The amount of your tax bill will depend on the rate determined by the County Commissioners, the School Districts, or Towns, and approved by the Nevada Tax Commission. NRS 361.471 to NRS 361.4735 provides a partial abatement of taxes by applying a 3% cap on the tax bill of the owner's primary residence or qualified rental dwelling. A cap of no more than 8% is applied to residences that are not owner occupied, land, commercial buildings, business personal property, aircraft, etc. New construction does not qualify for an abatement the first year, but will receive the appropriate cap the following year. The percentage of the abatement/cap is determined by the Assessor's Office/Tax Receiver and applied to your tax bill by the Tax Receiver to determine your final tax bill.

I hereby certify that the following contains a full and complete list of Churchill County Property owners as they appear on the 2012-2013 Fiscal Year Real Property Assessment Roll.

Respectfully,

NORMA J. GREEN
