16.36.190 Street Names:

Street names and suffixes shall be designated by the developer, subject to the recommendation of the planning department and approval by the county highway commission, and in accordance with the following general policy, shall:

- A. Be short (under 12 letters if possible) and preferably in one word;
- B. Have a simple spelling and easy pronunciation;
- C. Avoid prefixes such as north and south, east and west, upper and lower, etc.;
- D. Be related to the type and importance of the street (the suffix boulevard should not be attached to the name of a minor residential street);
- E. Avoid the use of numbers or letters as street names;
- F. Not be incongruous, offensive or geographically misleading;
- G. Not be repetitive or similar in sound and character;
- H. Have a single name for a street having a continuous alignment;
- I. When to be connected in the future into a continuous alignment, or extended, bear the same name as the existing street. (Bill 2001-A, 2001: Ord. 27 §6, 1971)
