Recommended Board Action:

1. I move that Churchill County submit the following Recommendations for the CDBG Annual Participation for FY 08/09, as follows, (Priorities list attached).
2. I move to table this item for a two week public comment period and at the end of the period results will be presented at the regular scheduled County Commissioners Meeting November 21st and a final Priority list will be developed based on the community comments.

Discussion: All eligible units of local government who wish to participate in the U.S. Department of Housing and Urban Development Community Development Block Grant program must dedicate priorities within the community to look at future CDBG projects. Over the past year I have found that it would be beneficial to the community to form a committee consisting of different departments to ensure proper fairness / eligibility is open to not only Churchill County Departments, but to Community members. The volunteered members are Alan Kalt, Comptroller, Eleanor Lockwood, Planning Director, Jorge Guererro, Parks & Recreation Director, De Vere Karlson, Chief Juvenile Probation Officer, and myself Shannon Ernst, Churchill County Social Services. Please find the following committee recommendations attached.
