Other – Informational Only

Does this action require a Business Impact Statement? No

Recommended Board Action: None.

Discussion: The Nevada Division of Environmental Protection (NDEP) provides notice of No Further Action Determination concerning the fuel spill at the A & K Earth Movers Hot Plant Generator Fuel Tank. No contaminants remain in soil or groundwater above action levels or remediation standards; therefore, the NDEP has determined that no further assessment or remediation is required to be protective of human health and the environment. NDEP may re-evaluate this decision if conditions at the site change or if new or previously unidentified information becomes available that: 1) alters the results of the site evaluation; and 2) demonstrates a potential detrimental impact on human health or the environment.
