REQUEST FOR DISCUSSION ITEM

Name: Willis Hyde Jr Telephone No.: 775-426-1058

Address of property that you wish to discuss: 4650 Silver Sage Ln

Ref. Churchill County Code: Section 16.08.300 Temporary Use Permit

Please give a brief description of your request: I built a new home on this property and I am unable to sell the mobile home on said property due to turn in housing market. I will continue to pursue sale of mobile home and hope in a year to have finances to do so. I feel I have pursued all avenues at this time to liquidate sale but have not been successful. If a mobile home sits vacant it will have problems and deteriorate and due to this I would like to apply for a temporary use permit so that my newly married brother and his wife may use it as a temporary residence.

*Please submit one (1) original and ten (10) of this item with any attachments, folded if necessary, to fit inside a 10" x 13" envelope.*

**Note:** It is in your best interest to provide all viewing materials to the Planning Department at least one week prior to the meeting for distribution to the individual Planning Commission members. This would allow them time to study your request and prepare any response that they may have. We are unable to duplicate any materials over 11" x 17" in size, therefore we request that if you have large maps for distribution that you provide 11 copies.
