To Whom It May Concern;

RE:Mullins, Josie "Gail"

This patient is in poor health, because of this I feel it is in her best interest to live close to her son. He has provided housing for her on his property, which will allow her to have someone close to her for safety.

If I can be of any further assistance, please let me know.

Cordially,

Gary C. Ridenour, M.D.
