FREQUENTLY ASKED PRICING QUESTIONS (FAQs)

SUMFUN ONLY

QUESTION: Can I make a one-time payment for less than the full summer and receive a discounted rate?

ANSWER: Yes – 9-week and 10-week options are available. The 10-week option is based on the same discounted weekly rate of \$75.00 as the full 11-week option. The 9-week option is discounted to be equal to the 10-week option as 9 weeks at the standard \$85.00 weekly rate would be more expensive than 10 weeks at the discounted \$75.00 rate.

Full payments for 8 weeks or less are charged at the \$85.00 weekly rate.

QUESTION: Does the 9-week, 10-week, and full summer price include a discount for the week of July 4th? Does my total price change depending on whether or not my child is participating during that week?

ANSWER: No and No – the mutli-week/full summer payment options are already discounted by approximately 10% and do not include an additional discount for the July 4th week. The 9 & 10 week prices do not change whether or not the July 4th week is one of the weeks in which the child will be in attendance.

QUESTION: If I pay for the 9-week option and would like to add a 10th week, do I need to pay extra since the full payment cost is the same?

ANSWER: No – you may elect to add an additional week, or any number of days less than 5, provided there is space available at no cost. You may not pick and choose 5 different days over the remaining 2 week period – all additional days must be within the same calendar week.

QUESTION: Do the 9-week, 10-week and full summer price include all 3 Wild Island trips? What if my child will not be attending during one/two of those weeks and/or on a Wild Island trip day?

ANSWER: Yes – all 3 Wild Island trips are included in the cost. If the weeks your child will not be in attendance are Wild Island weeks – the full price will be discounted by \$25.00 per Wild Island trip missed. If your child will be missing a Wild Island day, but will be in attendance the remainder of the week, the full price will also be discounted by \$25.00.

SUMFUN ONLY - LOGOS

QUESTION: Can I receive a discount on the 9-week, 10-week, and full summer payment since Logos starts school three days earlier than CCSD and Oasis?

ANSWER: No – the prices remain the same and include after-school attendance and pick-up on 8/14, and 8/16. Pick-up on 8/15 is tentative at this time as that is a SUMFUN field trip day. Availability for pick-up will be determined as soon as possible and that information will be relayed to parents.

SUMFUN/CARE

QUESTION: Is there an additional child discount for the daily drop-in rate?

ANSWER: No – drop-in rates are not discounted for families with more than one child attending the program.

QUESTION: Is there a greater discount for my 3rd or 4th child attending the program?

ANSWER: No – all children from the same family after the 1st child are charged the same additional child rate.

QUESTION: Is there a discounted rate for parents who will only be sending children to the program for 4 or less days out of a 5 day week on a recurring basis (such as Oasis families during the school year)?

ANSWER: No – the full week cost is already discounted. Parents are welcome to bring children to the program during operating hours even if the child did not have school on that day.

Participants attending 1, 2, or 3 days will be charged the daily drop-in rate. Participants attending 4 or 5 days will be charged the weekly rate.

REFUNDS/CREDITS

***NO Refunds will be given for days where the child has attended the program.**

QUESTION: I paid for my child to attend the program, but did not send the child and did not notify the program. May I have a refund or a credit for the day(s) missed?

ANSWER: No – we base our staffing on paid participants and reserve a space in the program for those who have paid. This allows the parent to drop-off/pick-up the child at any time during our operating hours. Unless we are notified, that space remains reserved for your child the entire day and will not be given to another potential camper. As we cannot fill that space, a refund/credit will not be provided.

QUESTION: I paid for my child to attend the program, but did not send the child. I did, however, notify the office that the child would not be in attendance. May I have a refund or a credit for the day(s) missed?

ANSWER: Yes - most likely – if the SUMFUN program was notified of the absence by 9:00 a.m. for each day of the absence we will provide refunds or credits as follows:

*Paid Weekly – Missed one Day = No Refund/Credit
Missed 2 Days = Credit provided for 1 missed Day.
Missed 3 - 5 Days = Credit the number of days missed of refund pro-rated based on the weekly rate of the original payment.

*Exception: parents who pay for the 9-week, 10-week, or full program in advance will not receive refunds for days/weeks missed, even if notified in advance.

QUESTION: I have paid for the 9/10/full summer program and my child will stop attending the program before we have used all of our weeks. May I have a refund for the unused weeks?

ANSWER: Yes - refunds will be pro-rated at the \$85.00 weekly rate. The Registration fee is non-refundable.

QUESTION: I have paid for the 10-week or full summer program and would like to change to one of the fewer week options. May I have a refund for the extra weeks for which I have already paid?

ANSWER: Yes - refunds will be pro-rated at the \$75.00 or \$83.00 dollar rate, depending on the specific situation. The Registration fee is non-refundable.
